v.
Marciano PLATA, et al.
No. 09–416. | Jan. 19, 2010.

Case below, 2009 WL 2430820.

Opinion

Appeal from the United States District Courts for the Eastern District and the Northern District of California. Appeal dismissed for want of jurisdiction. The Court takes note that a further order has been entered in this case, but that order is not the subject of this appeal. It is also noted that the district court has stayed its further order pending review by this Court.
