**Order Administratively Closing Case Upon Notice Of Settlement**

The parties have settled this matter and filed a motion seeking administrative closure for two years while the settlement agreement is implemented. (Joint Motion, ECF No. 59.) It is highly unusual for a Court to stay a matter for over two years to allow for the implementation of the parties' settlement of the case. The Court recognizes that this is not a usual case. Upon the Court's review it appears that the Private Settlement Agreement allows the Parties until January 31, 2016 to agree on a Plan of Compliance. If the Parties are unable to agree on such a Plan, they shall declare an impasse and file a joint motion to reopen the case for litigation on or before January 31, 2016. After January 31, 2016, the Settlement Agreement can only be set aside upon the Plaintiff's alleging and proving a material breach of the Agreement by the Defendants. If no breach is alleged by the Plaintiff then the Agreement calls for the Court to dismiss the case with prejudice on May 31, 2017. Under those terms and conditions, the Court **grants** the Joint Motion for Administrative Closure of the Case. (ECF No. 59.) The Court directs the Clerk to **close** this case. Any pending motions are **denied** as moot.

**Done and ordered** in chambers, at Miami, Florida, on April 13, 2015.
