IV. Statement of Claim: The state of Iowa currently finances a Christian faith based prison program in Newton Iowa, at Newton Correctional Facility. The First Amendment states: "Congress shall make no law respecting an establishment of religion..." Clearly financing such a program by the state is "respecting" or "favoring" that particular faith over another, in that no such program is offered to ~~the~~ those of other faiths. In addition, it violates the Equal Protection Clause to have the state finance this program and not finance the same for those of other faiths.

V. Relief:

Declaratory judgement be rendered on the behalf of the plaintiff. That the plaintiff be awarded damages for compensation jointly and severally against all defendants, for the irreparable harm caused through such illegal acts wrought by ~~these~~ defendants. Grant such relief as it may appear the plaintiff is entitled to.
