09/22/2005	<u>264</u>	TEXT ORDER. The Court has previously discussed with counsel for the parties whether pretrial briefs need to be filed in light of the extensive briefing previously submitted in relation to motions for summary judgment now ruled upon by District Judge Robert W. Pratt. Further pretrial briefing will only be required to the extent that a party is asserting a position(s)not previously raised in the prior brief; and if there has been new relevant case law decided since the Court's ruling on the motions for summary judgment. The Court emphasizes that no further pretrial briefing shall be filed if it is merely a reorganization of the previously filed briefs. Entered by Thomas J. Shields on 9/22/2005. 05/26/2005	<u>217</u>	Minute Entry for proceedings held before Judge Thomas J. Shields : Status Conference held on 5/26/2005. (Shields, Thomas) The Court conducted a telephonic status conference pursuant to order on May 26, 2005. Alex J. Luchenitser and Dean Stowers appeared for plaintiffs. Assistant Iowa Attorneys General Gordon E. Allen and H. Lorraine Wallace appeared for the state defendants. Anthony Troy, Megan Rahman Conway and Brent J. Appel appeared for defendants Prison Fellowship Ministries and Innerchange Freedom Initiative Program. The Court had ordered the status conference pursuant to the order entered on April 29, 2005, by District Judge Robert W. Pratt (Clerk's No. 212), and in which he granted in part and denied in part motions for summary judgment filed by all parties. It had been anticipated when the status conference was ordered that a trial date would be selected. Subsequent to the order setting the status conference, all defendants filed a Motion to Amend the April 29, 2005 Order to Allow Immediate Interlocutory Appeal (Clerk's No. 215) on May 20, 2005, and then on May 24, 2005, all Defendants filed a Notice of Appeal to the Eighth Circuit Court of Appeals (Clerk's No. 216). As a result of the filing of the notice of appeal, the Court raised with counsel the issue as to whether this Court presently has

		jurisdiction. The parties disagree on this issue. Plaintiffs will file any motions on the jurisdictional issues on or before June 17, 2005. Defendants will file resistances on or before June 30, 2005. Any replies by plaintiffs will be filed on or before July 8, 2005. The Court will determine whether arguments need to be scheduled on this issue after review of any motions and resistances. (Entered: 05/26/2005)
