12/13/2018	<u>149</u>	FINDINGS OF FACT, CONCLUSIONS OF LAW, AND ORDER – IT IS ORDERED: 1. Plaintiffs Motion for Preliminary Injunction (Dkt. <u>62</u>) is GRANTED IN PART. Defendants are ordered to provide Plaintiff with adequate medical care, including gender confirmation surgery. Defendants shall take all actions reasonably necessary to provide Ms. Edmo gender confirmation surgery as promptly as possible and no later than six months from the date of this order. However, given IDOCs implementation of an updated gender dysphoria policy on October 5, 2018 that appears to provide Plaintiffs requested injunctive relief related to accessing gender-appropriate underwear, clothing, and commissary items, the Court will not address that relief at this time. This is without prejudice to the plaintiffs right to raise the issue in the future, should IDOC revoke the new policy or if the implementation of the policy results in ongoing violations. 2. The Courts Deputy, Jamie Bracke, is directed to set a telephonic status conference in this case no later than two weeks after this decision issues. Signed by Judge B. Lynn Winmill.
