Plaintiffs' Motion to Approve Amended Class Notice

Plaintiffs, by their counsel, say that:

1. On this date this Court approved the class notice that plaintiffs proposed in this case. (Dkt., 142).
2. Undersigned counsel realized that he neglected to include in the notice that neither he nor the ACLU of Indiana would be receiving attorneys' fees from defendants in this matter.
3. Counsel believes this is important information to transmit to the prisoners receiving this notice.
4. The Indiana Department of Correction has not yet taken steps to distribute the notice.

5. The amended notice is attached. Counsel also corrected a number of the paragraphs that were not indented.

WHEREFORE, plaintiffs request that the attached amended notice be given as proposed in the parties Stipulation, and for all other proper relief.
