**THIRD DECLARATION OF MICHAEL RESNICK**

I, Michael Resnick, submit this Third Declaration in the above case in response to the Court's request for COVID-19 testing information. I am over the age of 18 years, and make this declaration under penalties of perjury.

1. Prevalence Testing began at the Baltimore City Booking and Intake Center ("BCBIC") for the asymptomatic detainee population on June 15, 2020. Testing will continue through June 18, 2020. Results of the testing will be available in two to three days. At that time, I will update the Court and the parties.
2. Testing of the symptomatic population at BCBIC has been ongoing, and has been conducted at BCBIC when a detainee displays symptoms of COVID-19.

3. Staff from the BCBIC medical contractor, Corizon, Inc., (“Corizon”) have conducted 575 tests of detainees in most of the BCBIC housing units as of June 16, 2020, and will have administered 606 tests to detainees by June 17, 2020.
4. Testing of Corizon’s staff is occurring on June 17, 2020.
5. Testing of the 31 working detainees is occurring on June 17, 2020.
6. Testing for State employees assigned to BCBIC was completed on June 15, 2020.
