Re: Hogan, Plaintiff/Appellant, v. Bryan, Defendant/Appellee
Docket No. 88-2896

Dear Clerk:

Enclosed find a notification of the names and addresses of the attorneys for the Plaintiff class, as well as the name and address of the attorney who represents the Defendant/Appellee in the case before the United States District Court of the District of Nevada, Case No. in Docket #CV-77-221-ECR, now styled William England et. al. v. Robert Miller. Such is the case appealed to the 9th Circuit docket #88-2896 and styled Hogan v. Bryan.

None of the attorneys for the Plaintiff class have received any document related to this appeal either from the Appellants or from the Court, and since the continuing action at the District Court level is dependant to the outcome of the case on appeal and since Appellants were members of the Plaintiff class, notification with its concomitant ability to respond is important.

We note that there was a brief due on November 4, 1991 from Appellants and that the answering brief, which we, the Plaintiff class attorneys would be filing, is due on December 4th. Therefore we would appreciate it very much if the Clerk would forward to the attorneys for the Plaintiff class a copy of any opening brief filed by Appellant.

Thank you for your time.

Sincerely,

Ernest K. Nielsen
