Opinion

MEMORANDUM AND ORDER

Pro se petitioner Michael Coveney has filed an "Ex Parte Motion of Intervention" in the above captioned action ("Milburn").

Petitioner's motion addresses alleged non-compliance with the final judgment in Milburn, specifically security interacting with the health care providers' orders and needs of the patients relating to petitioner's use of a metal

cane prescribed by the health care providers. It appears that petitioner sent a copy of the motion to Dr. Robert L. Cohen, the Medical Auditor.

The Medical Auditor is requested to follow up on this matter. In the event the Medical Auditor is unable to resolve the matter promptly, and requires judicial intervention, he shall notify the Court in writing, with copies to petitioner and counsel for all parties.

It is so ordered.
