2/29/00 1458 MOTION by Thomas Faine to join in and adopt motions
previously filed by class member on behalf of plaintiff
class objectors ; response deadline 03/15/00 (mc)
[Entry date 03/01/00]

2/29/00 1459 ORDER by Chief Judge Michael Burrage The parties shall
conduct simultaneous discovery on whether a current and
ongoing violation of Plaintiffs' Federal rights in the areas
covered by the remaining injunctions exists and complete
that discovery in a period of ninety days from the entry of
this Order. Further, should any problem in discovery arise,
the parties shall promptly raise the issue with this Court
such that it may be addressed without delay or risk to the
discovery schedule. Thereafter, this Court will conduct
separate hearings on each individual in junction which
remains in place, its necessity and the required findings
under 18 USC 3626(b)(3). The parties cooperation with each
other and this Court will be required and expected in order
to maintain this ambitious schedule. IT IS THEREFORE
ORDERED that the Motion to Enforce Settlement Agreement and
to Compel Discovery filed 1/21/00 (Docket Entry #1321) is
hereby DENIED. As a result, the Joint Motion to Approve
Settlement Agreement filed 6/29/99 (Docket Entry #281) is
hereby deemed MOOT. IT IS FURTHER ORDERED that this Court's
order entered 4/23/99 concerning medical care issues is
hereby VACATED. As a result, the Motion to Hold Defendants
in Contempt of Court and in Violation of the Eighth
Amendment of the Constitution and to Grant Such Relief as
Necessary filed by Plaintiffs on 11/29/99 (Docket Entry
#1198) is hereby DENIED. IT IS FURTHER ORDERED that
plaintiffs' Motion to Reconsider or to Modify Order of
6/20/97 filed 7/7/99 (Docket Entry #139) and United States'
Motion Under Rule 56(e) and 60(b) for Reconsideration and
Modification of the Court's 6/20/97 Order filed 7/7/97
(Docket Entry #142) are hereby GRANTED, in part, in that the
Order is modified to reinstate the injunctions covering
conditions of confinement, including life safety and health
and sanitation, and overcrowding throughout the Oklahoma
prison system. The remainder of the Motions, however, are
DENIED. Therefore, all injunctions previously imposed in
this case remain DISSOLVED and TERMINATED, except for those
concerning (1) prison overcrowding; (2) conditions of
confinement, including life safety and health and sanitation
(5) the adequacy of medical care and the medical care
delivery system; and (6) racial segregation and
discrimination, all throughout the Oklahoma prison system.
The Motion for a Stay of That Order Pending the Court's
Ruling on This Motion filed by Intervenor USA in the same
pleading as well as the Plaintiffs' Application for Stay of
6/20/97 Order filed 7/3/97 (Docket Entry #140) are deemed

MOOT. FURTHER ORDERING that the Clerk of the Court shall return the documentary evidence offered by Plaintiffs at the 2/8/00 hearing contained in seven notebooks to Plaintiffs' counsel. IT IS FURTHER ORDERED that the parties shall be permitted to conduct discovery on the Motion to Prospective Relief Under the Prison Litigation Reform Act 1995 filed 4/15/99 (Docket Entry #227) and Motion Final Judgment of Dismissal filed 1/24/00 (Docket Entry #1322) until 5/31/00. The parties' discovery shall encompass whether a current and

ongoing violation of inmates' Federal rights exists, whether the remaining injunctions extend no further than necessary to correct any such violation and whether the prospective relief as currently fashioned is narrowly drawn and the least intrusive means by which to correct any violation in accordance with 18 USC 3626(b)(3). After the completion of discovery, this Court will contact counsel and set the evidentiary hearings necessary to consider the continued viability of the prospective relief currently in place. IT IS FURTHER ORDERED that, due to the continued filing of objections to the Agreement from members of the Plaintiff class, Defendants shall place a copy of this Order in all of the same locations that the notice of the proposed settlement were posted within the prison institutions in the State of Oklahoma so that members of the Plaintiff class may become aware of the demise of the Agreement.
