Attorneys for Plaintiff United States of America

**UNITED STATES DISTRICT COURT  
DISTRICT OF ARIZONA**

United States of America,

Plaintiff,

v.

Town of Colorado City, Arizona;  
City of Hildale, Utah; Twin City Power;  
and Twin City Water Authority, Inc.,

Defendants.

Civil No.

**COMPLAINT**

**INTRODUCTION**

1. This action is brought to enforce the Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988, 42 U.S.C. §§ 3601 *et seq*; Title III of the Civil Rights Act of 1964, 42 U.S.C. § 2000b; and pursuant to 42 U.S.C. § 14141.

1 2. The Town of Colorado City, Arizona (“Colorado City”), and the City of Hildale, Utah  
2 (“Hildale”) (collectively, “Cities”), and two utility agencies under the Cities’ control  
3 (collectively, “Defendants”) have engaged in and continue to engage in a pattern or  
4 practice of conduct that deprives persons of rights, privileges, or immunities secured or  
5 protected by the First, Fourth, and Fourteenth Amendments to the United States  
6 Constitution and the laws of the United States.  
7

8 **JURISDICTION AND VENUE**

9 3. This Court has jurisdiction over this action pursuant to 28 U.S.C. §§ 1331 and 1345  
10 and 42 U.S.C. § 3614. Venue is proper under 28 U.S.C. § 1391(b) as a substantial part  
11 of the events or omissions giving rise to the claim occurred in the District of Arizona.  
12

13 **NATURE OF ACTION**

14 4. Defendants have engaged in a pattern or practice of illegal discrimination against  
15 individuals who are not members of the Fundamentalist Church of Jesus Christ of  
16 Latter-day Saints (“FLDS”). The Cities’ public officials, the Colorado City/Hildale  
17 Marshal’s Office (“the Marshal’s Office”),<sup>1</sup> and utility entities have acted in concert  
18 with FLDS leadership to deny non-FLDS<sup>2</sup> individuals housing, police protection, and  
19 access to public space and services. Furthermore, the Defendants have denied non-  
20  
21

---

22 <sup>1</sup> The Marshal’s Office is a subdivision of the municipal governments of both Defendant  
23 Colorado City and Defendant Hildale.

24 <sup>2</sup> Throughout this Complaint, the term “non-FLDS” includes: 1. individuals who were  
25 never members of the FLDS; 2. individuals who were members of the FLDS but left the  
26 Church; and 3. individuals who were told that they “lost priesthood,” were told to  
27 “repent from a distance,” or were otherwise excommunicated by Warren Jeffs and/or his  
28 followers.

1 FLDS members access to housing in the Cities, and they have coerced, intimidated,  
2 threatened, and interfered with the housing rights of non-FLDS members. The  
3 Marshal's Office has inappropriately used its state-granted law enforcement authority  
4 to enforce the edicts of the FLDS, to the detriment of non-FLDS members. In addition,  
5 the Cities' officials have misdirected and misused public resources in the service of the  
6 FLDS.  
7

- 8 5. For at least 20 years, the Cities have operated as an arm of the FLDS, in violation of  
9 the Establishment Clause of the First Amendment of the United States Constitution.  
10 The Cities' governments, including the Marshal's Office, have been deployed to carry  
11 out the will and dictates of FLDS leaders, particularly Warren Jeffs<sup>3</sup> and the officials to  
12 whom he delegates authority. For decades, officials of the Cities have, by operating at  
13 the direction and for the benefit of the FLDS, abdicated their official duties to protect  
14 the rights of all citizens equally and to administer governmental functions consistently  
15 with the Establishment Clause of the United States Constitution.  
16  
17

18 **DEFENDANTS**

- 19 6. Defendant Colorado City is a local unit of government organized under the laws of the  
20 State of Arizona.  
21  
22 7. Defendant Hildale is a local unit of government organized under the laws of the State  
23 of Utah.  
24

---

25 <sup>3</sup> On August 4, 2011, Jeffs was convicted of two counts of child sexual assault against a  
26 twelve year-old girl and a fifteen year-old girl in San Angelo, Texas. He is now serving  
27 a life plus twenty-year prison sentence. Jeffs remains the head of the FLDS while in  
28 prison.

- 1 8. Defendant Twin City Water Authority, Inc. (“TCWA”) is a non-profit corporation  
2 organized under the laws of the State of Utah. It is responsible for the provision of  
3 water services in Colorado City and Hildale. It operates under the actual or apparent  
4 authority of Defendant Colorado City and Defendant Hildale.  
5  
6 9. Defendant Twin City Power is or was an intergovernmental entity of Defendant  
7 Colorado City and Defendant Hildale. At all times relevant to this action until July  
8 2009, it was responsible for the provision of electric power in Colorado City and  
9 Hildale. It operated under the actual or apparent authority of Defendant Colorado City  
10 and Defendant Hildale.  
11

12 **FACTUAL BACKGROUND**

- 13 10. The adjoining communities of Colorado City and Hildale are populated primarily by  
14 members of the FLDS who are followers of the self-proclaimed prophet Warren Jeffs.  
15 Non-FLDS residents also live in the Cities, but they are a distinct minority.  
16  
17 11. Members of the FLDS traditionally contribute a significant portion of their money,  
18 property, and time to a trust called the United Effort Plan Trust (“UEP Trust” or  
19 “Trust”). The UEP Trust is a registered charitable trust in the State of Utah. Until  
20 2005, the Trust was controlled by the FLDS Church.  
21  
22 12. Much of the land, and many of the improvements thereto, in Colorado City and  
23 Hildale, including most of the Cities’ residences, belong to the UEP Trust. Residents  
24 who live in Trust-owned homes typically have signed occupancy agreements with the  
25 Trust.  
26  
27 13. In 2005, a Utah court determined that the UEP Trustees had violated their legal duties  
28 in administering the Trust, including duties relating to former members of the FLDS

1 Church who are beneficiaries of the Trust. The court appointed Bruce Wisan, who is  
2 not affiliated with the FLDS Church, as Special Fiduciary of the UEP Trust (“Special  
3 Fiduciary”) to administer the Trust’s assets and operations.

4 14. In 2006, the court reformed the UEP Trust. Bruce Wisan continues to serve as the  
5 court-appointed Special Fiduciary. The stated purpose of the Trust is “providing for  
6 the just wants and needs of the beneficiaries which purpose is beneficial to the  
7 community.”  
8

9 **ALLEGATIONS**

10 15. Defendants have allowed the FLDS Church or its agents to direct or unlawfully  
11 influence their actions regarding policing services, housing, and access to public  
12 facilities, in violation of the First, Fourth and Fourteenth Amendments, the Fair  
13 Housing Act, and Title III of the Civil Rights Act of 1964.  
14

15 ***Unconstitutional Policing***

16 16. The Marshal’s Office has failed to provide policing services to non-FLDS individuals  
17 on the basis of religion. The Marshal’s Office fails to protect non-FLDS individuals  
18 from victimization by FLDS members, fails to investigate crimes against non-FLDS  
19 individuals and their property, and refuses to arrest FLDS individuals who have  
20 committed crimes against non-FLDS individuals. These crimes and actions include  
21 destroying crops on a non-FLDS-operated farm, vandalizing property in the control of  
22 the UEP Trust, returning at least one underage bride to a home from which she had  
23 fled, and trespassing on property occupied by non-FLDS individuals.  
24

25 17. The Marshal’s Office selectively enforces laws and regulations against non-FLDS  
26 individuals on the basis of religion. Instances of selective enforcement include  
27  
28

1           arresting non-FLDS individuals for trespass but not arresting similarly situated FLDS  
2 individuals, and citing non-FLDS individuals for traffic violations but not citing FLDS  
3 individuals for similar infractions.

4           18. Non-FLDS individuals experience the hardship and mental and physical stress  
5 resulting from the knowledge that the Marshal's Office will not come to their aid in  
6 time of need. For example, in January 2012, a woman who was, in effect,  
7 excommunicated by the FLDS, fled her home in the Cities with her six young  
8 daughters after learning that FLDS leaders demanded that she sever all contact with  
9 five of her six children. This woman believed, based on its policies and previous  
10 actions, that the Marshal's Office would not come to her assistance to protect her  
11 parental rights if she complained about the FLDS edict separating mothers from their  
12 children. She decided, as many other non-FLDS members have done, to flee with her  
13 children under cover of darkness to safety outside of the Cities. The failure and refusal  
14 of the Marshal's Office to protect all citizens without regard to religion has given rise  
15 to an "underground railroad," composed of non-FLDS members who provide safe  
16 havens and a means of egress for individuals abandoned by law enforcement.

17           19. The Marshal's Office effectively serves as the enforcement arm of the FLDS Church.  
18 Since at least 1990, the Marshal's Office has assisted the FLDS Church in its  
19 surveillance and investigation of non-FLDS members because of religion. This  
20 activity includes providing training and resources to FLDS members to aid their  
21 surveillance of non-FLDS members. The Marshal's Office provides law-enforcement  
22 information, including but not limited to, information about emergency calls to the  
23 Marshal's Office for assistance, directly to FLDS security personnel. In addition, the  
24  
25  
26  
27  
28

1 Cities obtain information from FLDS Church security-service members about vehicles  
2 traveling in the Cities, run license-plate checks to determine whether such vehicles are  
3 owned and/or operated by non-FLDS members in the Cities, and convey the results of  
4 the license-plate checks to the FLDS Church.

5  
6 20. The Marshal's Office has conducted traffic stops on multiple occasions in response to  
7 FLDS church members' requests that they find out the identity of the occupants of a  
8 vehicle.

9  
10 21. The Marshal's Office deploys its resources to enforce FLDS religious edicts. Such  
11 conduct includes dispatching Marshal's Deputies in official vehicles to confront  
12 persons about their alleged disobedience to FLDS rules and instructing such persons to  
13 report to FLDS leadership.

14  
15 22. In one instance, in 2000, Jeffs issued an order for a then-FLDS member to return an  
16 underage bride, who had fled her new husband's home, to FLDS leaders. Unaware that  
17 the then-FLDS member had already complied, three Marshal's Deputies confronted  
18 him demanding that he return her to FLDS leaders. The Deputies drove official  
19 Marshal's Office vehicles when they aggressively confronted the then-FLDS member.  
20 One of the Marshal's Deputies involved in this incident remains employed by the  
21 Marshal's Office, and another was the Marshal who resigned in or around April 2012.

22  
23 23. In 2001, Jeffs issued an edict that all domestic dogs would be banned from the Cities.  
24 Less than one month later, in compliance with Jeffs's edict, Marshal's Deputies went to  
25 each household in the Cities and asked residents to turn over any dogs that they had in  
26 the home to the Officers. The Marshal's Deputies then shot and killed the dogs in a  
27  
28

1 slaughter pit a short distance from the Cities. Two of the Marshal's Deputies involved  
2 in this incident remain employed by the Marshal's Office.

3 24. The Marshal's Office fails to cooperate with other law enforcement offices in  
4 investigating crimes against non-FLDS individuals or crimes committed by FLDS  
5 individuals. Since 2003, Arizona has decertified six officers employed by the  
6 Marshal's Office, and a seventh officer resigned after having been decertified by Utah  
7 officials. Three were decertified for failure to comply with state law-enforcement  
8 efforts, including refusing to testify at a grand jury proceeding.

9  
10 25. In October 2005, Fred J. Barlow, during the time he served as Marshal, wrote a letter to  
11 then-fugitive Jeffs, stating in relevant part,

12  
13 I rejoice in the peace that comes over me when I follow the  
14 directives that you have sent to me through [FLDS member] Uncle  
15 William [Jessop]. I have felt a unity between the peace officers.  
16  
17 They have all stated to me their desire to follow the directives that  
18 are placed before us. . . . I want to fill the position that you would  
19 have me fill and do the job the way that you would like it done. . . .  
20  
21 We will continue with that directive unless you would like us to do  
22 something different.

23 Three out of the current six Marshal's Deputies were either employed by the Marshal's  
24 Office or finishing the required police training for the Marshal's Office at the time  
25 Marshal Barlow wrote this letter to Jeffs.

26  
27 26. Marshal Barlow was later decertified as a peace officer by the Arizona Peace Officers  
28 Standards and Training Board ("AZPOST") for failing to comply with an Arizona

1 Attorney General investigation. On August 7, 2007, an administrative law judge, in  
2 reviewing AZPOST's decertification decision, determined that Barlow "displayed bias  
3 in favor of Warren Jeffs and the FLDS, in derogation of his oath to neutrally enforce  
4 the law."

5  
6 27. On at least one occasion, in July 2011, the then-Marshal and Marshal's Deputies  
7 participated in the building of fences on UEP Trust property that the FLDS had  
8 illegally occupied without permission of the UEP Trust.

9  
10 28. Since the UEP trust was reformed in 2006, the Marshal's Office has consistently  
11 disregarded the validity of Trust-signed occupancy agreements and of legal rulings that  
12 guarantee the rights of non-FLDS Trust beneficiaries. For example, in December  
13 2011, Marshal's Deputies refused to enforce the occupancy agreement held by a non-  
14 FLDS individual for a property known as the Holm School Building, located at 1055  
15 Carling Street, Hildale, Utah. Several FLDS members entered the building and locked  
16 out the rightful non-FLDS occupants of the building. The FLDS members occupying  
17 the building refused to allow the rightful non-FLDS occupants to retain possession of  
18 the Holm School Building. Those non-FLDS individuals contacted county law  
19 enforcement to remove the FLDS trespassers on or about December 20, 2011. At the  
20 request of County officials, Marshal's Deputies also arrived at the Holm School later  
21 that day. The Marshal's Deputies refused to remove the FLDS trespassers, and the  
22 County Sheriff's Deputies were forced to ensure the removal of the trespassers in light  
23 of the Marshal's Officers' failure to take any affirmative steps. One of the Marshal's  
24 Deputies not only refused to assist the Sheriff's deputies, but left the scene. On another  
25 occasion, in August 2008, then-Marshal Jonathan Roundy, responded to a property  
26  
27  
28

1 dispute between an FLDS member and a non-FLDS individual. The Special Fiduciary  
2 and his agent informed Marshal Roundy that the non-FLDS member had permission,  
3 and therefore a right, to occupy the property. Nonetheless, Marshal Roundy sided with  
4 the FLDS member based on religious affiliation. In announcing his decision, Marshal  
5 Roundy stated, “[the FLDS member] says this is his property, and we are going to  
6 honor him because he is a member of the Church, and he has asked [the non-FLDS] to  
7 leave, and that is where I am going to stand as Chief of the Police.”  
8

9 29. Additionally, on February 8, 2012, the Marshal’s Office responded to a report that  
10 FLDS members were building an illegal fence that encroached onto property validly  
11 occupied by a non-FLDS individual. A representative of the Special Fiduciary  
12 informed a Marshal’s Officer that the fence was being built without permission and  
13 should be stopped immediately. The Marshal’s Officer failed to act to stop the FLDS  
14 members from putting up the fence.  
15  
16

17 30. The Marshal’s Office uses its authority to aid the FLDS Church by facilitating the  
18 unlawful evictions of non-FLDS residents and refusing to permit non-FLDS  
19 individuals to move into properties for which they have occupancy agreements.  
20

21 31. The Marshal’s Office arrests non-FLDS individuals without probable cause on the  
22 basis of religion. Specific incidents include arresting non-FLDS individuals for  
23 trespass on properties that they had the right to enter, arresting non-FLDS individuals  
24 without probable cause for theft of services, and holding an adult non-FLDS woman in  
25 jail overnight without probable cause on the alleged ground of being a minor in  
26 possession of alcohol.  
27  
28

1 32. The Marshal's Office has seized the property of non-FLDS individuals without due  
2 process of law. For example, in April or May 2010, the Marshal's Office departed  
3 from its normal procedures in handling a stud horse who escaped from its non-FLDS  
4 owner. The Marshal's Office caused the horse to be euthanized without contacting the  
5 owner. Members of the Marshal's Office knew or should have known the stud horse,  
6 which had distinct markings, and they knew or should have known the identity of the  
7 horse's owner. This action was taken on the basis of the owner's religious affiliation.  
8

9 33. The actions and omissions of the Marshal's Office constitute an impermissible  
10 delegation of decision-making and authority to the FLDS, an entanglement of religious  
11 and civil functions, a fusion of government power and religious authority, and have the  
12 purpose and effect of the Cities impermissibly advancing religion. Because of these  
13 actions and omissions, there is no effective means of guaranteeing that the Cities'  
14 governmental power is neutrally employed.  
15

16 34. The states of Utah and Arizona have taken steps to address the unlawful policing  
17 practices in the Towns, including in early 2012, when the state legislatures of Arizona  
18 and Utah each introduced bills that would have had the effect of disbanding the  
19 Marshal's Office. Both bills failed to pass.  
20

21 35. The actions and omissions of the Marshal's Office constitute a pattern or practice of  
22 discriminatory policing against non-FLDS individuals on the basis of religion, an  
23 impermissible preference for the FLDS church in the implementation of its law-  
24 enforcement responsibilities, and treatment of those who are not members of the FLDS  
25 as outside of the full and equal status as citizens.  
26  
27  
28

*Housing Discrimination*

1  
2 36. Defendants Colorado City, Hildale, TCWA, and Twin City Power have treated non-  
3 FLDS individuals differently than FLDS residents because of religion by making  
4 housing unavailable to non-FLDS residents. In addition to the conduct described  
5 above, which resulted in violations of federally protected housing rights of non-FLDS,  
6 Defendants have, since approximately 2008, denied or unreasonably delayed water and  
7 electric service to non-FLDS individuals, refused to issue them building permits, and  
8 otherwise prevented non-FLDS individuals and the Trust from constructing new  
9 housing or occupying existing housing, all on the ground of religion.  
10

11  
12 37. When non-FLDS residents have requested water service at new properties, TCWA has  
13 denied their requests. The Cities and TCWA claim that they cannot provide water  
14 service to new properties because of a water shortage, while at the same time FLDS  
15 residents have received such services. In fact, there is no water shortage in the Cities  
16 that would justify these denials.  
17

18 38. The Cities and TCWA have refused to permit non-FLDS individuals or the Trust to  
19 build new housing or improve existing housing on Trust-owned land. In some  
20 circumstances, the Cities and TCWA cite a water shortage as the reason for their  
21 refusals. In other circumstances, they claim that the Trust or non-FLDS individuals  
22 have no right to occupy or control the land.  
23

24 39. During the same period in which Defendants Colorado City, Hildale, and TCWA  
25 denied non-FLDS residents water service, they have provided water service to new  
26 properties occupied or managed by FLDS residents. In some instances they have  
27  
28

1 installed such connections at night; at other times they have installed the connections in  
2 putative exchange for water rights of far lesser value.

3 40. The Cities have refused requests from the Trust to subdivide Trust property into  
4 smaller lots. The Cities' refusal to permit subdivision has prevented the Trust from  
5 transferring the deeds of those smaller lots to non-FLDS Trust beneficiaries.  
6

7 41. Prior to July 2009, Defendants Colorado City, Hildale, and Twin City Power delayed  
8 providing electric connections to non-FLDS individuals or refused to provide such  
9 connections at all. During the same period, they provided electric connections to  
10 similarly situated FLDS individuals and entities. Since July 2009, the Cities have  
11 delayed providing necessary information regarding non-FLDS-occupied properties to  
12 Garkane Energy, the Cities' current electricity provider, resulting in a delay before  
13 non-FLDS residents and entities receive electricity at their properties.  
14

15 ***Denial of Access to Public Facilities***  
16

17 42. Beginning in approximately 2008, the Cities have denied non-FLDS individuals equal  
18 utilization of public facilities on the basis of religion.

19 43. Cottonwood Park ("the Park") and Cottonwood Zoo ("the Zoo") are owned, operated,  
20 or managed by or on behalf of the Cities.  
21

22 44. The United States has received signed written complaints of discrimination against  
23 non-FLDS individuals at the Zoo and the Park by the Cities.  
24

25 45. On or about May 18, 2010, a group of non-FLDS children attempted to play at the  
26 Park. A Marshal's Deputy told the children that they could not play at the Park and  
27 threatened them with arrest if they continued to play.  
28

1 46. In addition, beginning in approximately 2008, members of the Marshal's Office and  
2 other officials of the Cities have told other non-FLDS individuals that they may not  
3 play at the Park.

4 47. The Marshal's Office allows FLDS individuals to play at the Park.

5 48. Beginning in approximately 2008, members of the Marshal's Office have harassed  
6 non-FLDS individuals who were lawfully on the Zoo premises.  
7

8 49. Beginning in approximately 2008, the Marshal's Office withdrew police protection  
9 from the Zoo when its occupancy agreement was taken over by a non-FLDS  
10 individual. When non-FLDS individuals presented the Marshal's Office with evidence  
11 that FLDS individuals had been vandalizing the Zoo, the Marshal's Office refused to  
12 act on those allegations.  
13

14 50. The Assistant Attorney General for the Civil Rights Division of the United States  
15 Department of Justice, on delegation from the Attorney General, has certified that all  
16 requirements specified in 42 U.S.C. § 2000b have been met. The Certificate of the  
17 Assistant Attorney General is appended to this Complaint and is incorporated herein.  
18

19 **FIRST CAUSE OF ACTION**

20 51. Plaintiff re-alleges and herein incorporates by reference the allegations set forth in the  
21 paragraphs above.  
22

23 52. The First Amendment to the United States Constitution, as applied to the states through  
24 the Fourteenth Amendment, provides, in pertinent part, that: "Congress shall make no  
25 law respecting an establishment of religion, or prohibiting the free exercise  
26 thereof. . . ."  
27

28 53. The Fourth Amendment to the United States Constitution provides:

1 The right of the people to be secure in their persons, houses, papers,  
2 and effects, against unreasonable searches and seizures, shall not be  
3 violated, and no Warrants shall issue, but upon probable cause,  
4 supported by Oath or affirmation, and particularly describing the  
5 place to be searched, and the persons or things to be seized.  
6

7 54. Section I of the Fourteenth Amendment to the United States Constitution provides:

8 All persons born or naturalized in the United States, and subject to  
9 the jurisdiction thereof, are citizens of the United States and of the  
10 State wherein they reside. No state shall make or enforce any law  
11 which shall abridge the privileges or immunities of citizens of the  
12 United States; nor shall any State deprive any person of life, liberty,  
13 or property, without due process of law; nor deny to any person  
14 within its jurisdiction the equal protection of the laws.  
15  
16

17 55. By the actions set forth above, Defendants Colorado City and Hildale have engaged in  
18 and continue to engage in a pattern or practice of conduct that deprives persons of  
19 rights, privileges, or immunities secured or protected by the First, Fourth, and  
20 Fourteenth Amendments to the United States Constitution and the laws of the United  
21 States. These actions constitute violations of 42 U.S.C. § 14141.  
22

23 56. Persons who are subject to Defendants' conduct are suffering, and will continue to  
24 suffer irreparable harm in the absence of relief.  
25

26 **SECOND CAUSE OF ACTION**

27 57. Plaintiff re-alleges and herein incorporates by reference the allegations set forth in the  
28 paragraphs above.
