03/02/2005	205	MINUTE entry before Judge Samuel Der-Yeghiayan : This matter is before the court on Plaintiff's motion for writ of habeas corpus ad testificandum and on Plaintiff's motion to file an additional appearance. We grant both motions. This matter is also before the court on Defendants' motion for reassignment. We deny Defendants' motion for reassignment. This matter is also before the court on Plaintiff's motion to enforce Defendant City of Chicago's Section 1983 liability for the fifth day of detention. During oral arguments before the court, Plaintiff's counsel indicated that Plaintiff seeks in the motion either to enforce the City of Chicago's liability regarding the fifth day of detention because the City waived it or, in the alternative, to have the court allow the issue of the City of Chicago's liability for the fifth day of detention to be resolved at trial. Plaintiff has adequately pled a claim against the City of Chicago pertaining to the fifth day of detention. The issue of the City of Chicago's liability relating to the fifth day of detention is still a live issue in this action and will need to be addressed at trial since it is not encompassed within the scope of the prior Monell waiver by the City of Chicago. Therefore, we grant in part and deny in part Plaintiff's motion to "enforce" Defendant City of Chicago's Section 1983 liability for the fifth day of detention. This matter is also before the court on Plaintiff's motion for judgment on the pleadings. We deny the motion for judgment on the pleadings. A memorandum opinion shall follow this order. We also deny Plaintiff's motion to supplement his motion for judgment on the pleadings as moot. Judge's staff mailed notice (mw,) Additional attachment(s) added on 4/1/2005 (cdy,).
