Judge Brack had sent me the invitation two or three times and other judges have encouraged me to attend. My clerks have confirmed that I can ethically attend and have my expenses picked up by the Conference. When I received the agenda, I noticed that one of the Friday morning sessions has Mr. Killebrew as a speaker. I do not see a problem with me attending that session, but if the City or the police union would prefer that I not attend that session, I will not. I will, of course, not discuss this case with Mr. Killebrew". (cjw) (Entered: 10/10/2019) |
