JEFFERSON COUNTY BOARD OF EDUCATION’S  
OCTOBER 2012 REPORT TO THE COURT

As required by order of this Court, defendant, the Jefferson County Board of Education, hereby submits its annual Report to the Court. The Jefferson County Board of Education has included the following reports and information in a submission being filed electronically as of the date of this report:

1. Jefferson County School System 2012-2013 Student Ethnic Composition Report;
2. Jefferson County School System 2012-2013 Employee Reports:
  - a. October 2012 - Faculty
  - b. October 2012 - Principals
  - c. October 2012 - Assistant Principals
  - d. October 2012 - Counselors
  - e. October 2012 - Librarians
  - f. October 2012 - Classified Personnel
  - g. October 2012 - Summary
3. Jefferson County ADM Enrollment Report by school, grade, and race (previously on Form GR);

4. List of all students attending Jefferson County schools on an approved transfer for 2012-2013 school year (includes information formerly contained in Form ZD);
5. List of all students denied transfers to Jefferson County schools for 2012-2013 school year;
6. 2012-2013 Jefferson County Federal Court Report - Class Count Report, indicating school, course names, and race of students and instructors (previously on Form BW).

Student transfer reports are being provided to the Court in lieu of actual copies of transfer applications. While past custom and practice was to submit copies of all applications to the Court and to the parties, technological advances have made it possible to compile said information in electronic format. The party plaintiffs and the United States have requested information in this summary format, as it is more manageable and convenient.

The transfer reports have been redacted to remove student names and addresses in accordance with the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g. The Board recognizes that the Court and other parties to the litigation may want to review and receive copies of some, if not all, of the transfer applications, as well as detailed information about specific transfers. The Board maintains complete transfer documents and information at the Board office, and the Board will be glad to make that information available for review or to copy and provide that information to the Court or the parties.

Respectfully submitted on this 16th day of November, 2012.
