In contrast, with self-funded health plans, there are no fees.

February 7, 2012

A motion was offered by Mr. Darrell Wiley and seconded by Mr. Carlos A. Mayeux, Jr. to approve items ninety-nine (99) and one hundred (100). Ms. Lizzie Ned abstained.

The meeting adjourned at 3:30 p.m.

Mr. Van Kojis questioned Mrs. Lizzie Ned as to the reason for her abstention on all items.

Mrs. Ned stated that she had previously requested other items that she felt were higher in priority to the items currently being requested.

Mr. Michael Lacombe stated that there are several items that are safety issues at the schools that need to be addressed.

Mrs. Shelia Blackman-Dupas stated that Board members should be able to work together. She said that she supported Mrs. Ned’s position.

Mr. Steve Marcotte, Maintenance Supervisor, stated that the ceiling at Bunkie High School Library is a potential liability to the Board. Mrs. Dupas said that the AVAP driveway is in need of repair. Mr. Marcotte stated that this concern is being addressed.

MOTION CARRIED.

3. Mrs. Shelia Blackman-Dupas, Committee Member, addressed the Finance Committee regarding transportation costs of students assigned to AVAP.

Estimated annual cost of $100,500 to provide such transportation to AVAP was reviewed with the committee.

Superintendent Dwayne Lemoine requested a funding source for this item.

Mrs. Shelia Dupas suggested that the Board reallocate existing school budgeted funds. She felt that this was a necessary expenditure. Mr. Lemoine stated that he understood that Mrs. Dupas suggested that we reallocate existing school-based budgeted funds, but he is concerned about the projected general fund budget.

Mr. Carlos A. Mayeux, Jr. suggested to look at the next budget update in order to determine whether funds are available.

Board Member Shelia Blackman-Dupas offered a motion to provide transportation to all AVAP students for the remainder of the school year at a cost of approximately $40,000.
February 7, 2012

Mr. Freeman Ford stated that he would like to look at this item on the 2012-2013 budget.

4. Upon motion by Shelia Blackman-Dupas, seconded by Van Kojis, the Finance Committee recommended to approve requests for overnight travel. MOTION CARRIED.

The Finance Committee respectfully recommends the adoption of this report.

Carlos A. Mayeux, Jr., Chairman
Finance Committee

Board Member Lizzie Ned stated that, in reference to the Needs Committee Assessment Report, she thought her abstention from voting counted as “No” votes. However, Mr. Charles Riddle, Attorney for the Board, clarified that an abstention vote does not count at all—it is neither “Yes” nor “No”. Therefore, the votes are considered unanimous in said report. Discussion ensued that the wording of the Board’s policy regarding abstention votes and unanimous votes needs to be changed for clarity in the future.

Board Member Shelia Blackman-Dupas also made comments regarding transportation issues of AVAP students, and she requested that these comments be made part of the record as follows: “This Board chooses not to transport regular education students who are sent to AVAP, and this practice has resulted in the removal of that particular population of students from this system. They are not being educated. Presently, more than 50% of students currently assigned have technically failed due to excessive absences. We use as our motto ‘No Child Left Behind’ but in effect that is exactly what we are practicing, ‘leaving students behind.’ Ninety-nine percent of the affected students are minorities, several of whom were assigned to AVAP last year. At the Finance Committee, Mrs. Mary Bonnette presented an estimated cost of $40,000-60,000 to transport these students for the remainder of the school year. I made a motion to transport them, but the motion failed due to a lack of a second, primarily because of funding. Having the MFP funds allocated for these students to follow them, which was my suggestion, would create a hardship for the schools that these students came from. What are we really doing as a Board? Is there ever any intention of educating them, or was the intent to use them for funding to educate the vast majority of the school system?” She continued in saying that 26 out of 51 students assigned to AVAP who are either sitting at home or who are attending only two to three days a week, and she questioned whether those students are being reported on the rolls for MFP purposes.

A motion was offered by Board Member Carlos A. Mayeux, Jr., seconded by Van Kojis, that the Board adopt the Finance Committee Report of January 31, 2012, as presented.

The motion was adopted by the following vote:
February 7, 2012

16. Mr. Darrell Wiley, Chairman of the Education Committee, presented the following report:

March 6, 2012

The Finance Committee respectfully recommends the adoption of this report.

Carlos A. Mayeux, Jr., Chairman
Finance Committee

Board Member Carlos A. Mayeux, Jr. reviewed with the Board the presentation by Mr. Craig Foster concerning the Needs Assessment Committee Report. He advised the Board that the vote indicated the motion failed due to Board Member Lizzie Ned not in favor of the motion because of her concern of not having more time to review the plans with her constituents. Mr. Mayeux further added that he was greatly disappointed as a member of the Needs Assessment Committee that the report was not approved, especially considering the amount of time and planning devoted to this report.

Board Member Lizzie Ned stated that her reason for not voting in favor of the Needs Assessment Committee Report was because she received the blueprint on the day of the meeting. Mrs. Ned stated that she represents the community and that she was of the opinion that it is fair to receive input from the citizens prior to making a decision.

On motion by Carlos A. Mayeux, Jr., seconded by Van Kojis, the Board adopted the Finance Committee Report as presented. MOTION CARRIED UNANIMOUSLY.

Finance Committee Report

The Finance Committee of the Avoyelles Parish School Board met Tuesday, April 24, 2012, at 4:15 p.m. at the School Board Office with the following members present:

Carlos A. Mayeux, Jr., Chairman; Shelia Blackman-Dupas, Van Kojis, Michael Lacombe, James Gauthier, President; and Dwayne Lemoine, Superintendent. Also present were Freeman Ford, Darrell Wiley, Lizzie Ned, and Cindy Hill, Board Members; Mary Bonnette, Director of Finance; and Steve Marcotte, Maintenance Supervisor.

1. Chairman Carlos A. Mayeux, Jr. reviewed the Needs Assessment/Screening Committee Report of April 19, 2012, as follows:
May 1, 2012

Board Member Screening Committee Report

The Avoyelles Parish School Board Member Screening Committee met on Thursday, April 19, 2012, at 10:00 a.m. at the School Board Office with the following members present:

Dwayne Lemoine, Superintendent; Craig W. Foster, Assistant Superintendent; Steve Marcotte, Supervisor of Maintenance; James Gauthier, Board Member; Shelia Blackman-Dupas, Board Member; and Cindy Hill, Board Member. Also in attendance were Michael Lacombe, Board Member; Van Kojis, Board Member; and Tanya Smith, Secretary to the Assistant Superintendent.

Mrs. Shelia Blackman-Dupas stated that the committee wished to keep what was originally proposed with the addition of bleachers only. Mr. Michael Lacombe expressed concern over the upcoming budget deficit and all Board Members present agreed that none of the Seven-Year Capital Plan would be completed if teachers in the parish had to be cut. It was requested that pricing be obtained to have bleachers installed in the Bunkie Elementary School project.

Upon motion by James Gauthier, seconded by Cindy Hill, the Board Screening Committee agreed to table the Seven-Year Capital Improvement Plan pending more information for the renovation of the Bunkie Elementary School Gymnasium.

Seven-Year Capital Improvement Plan Proposal

(1) Riverside Elementary School restroom facility in Kindergarten building, $80,000.00; (2) Bunkie Elementary School Gymnasium upgrade (coaches office/equipment room addition, wood floors, permanent stage, and moveable seating), approximately $230,000; (3) Bunkie High School - construct four classrooms to remove four portables (Brewer Plan), $350,000.00; (4) Avoyelles High School - construct four classrooms to remove four portables, $350,000.00; (5) Cottonport Elementary School - upgrade Kindergarten building, $350,000.00; (6) Marksville Elementary School - upgrade of main building, $250,000.00; and (7) Marksville High School - auditorium upgrade, $200,000.00.

Spending recommendations: $1,768,000.00; Budgeted amount, $1,820,000.00; and Balance, $52,000.00.

The motion was adopted by the following vote: Ayes: James Gauthier, Shelia Blackman-Dupas, and Cindy Hill. Nays: None.

The Board Member Screening Committee has agreed to meet on Tuesday, April 24, 2012, prior to the Finance Committee meeting.

The meeting adjourned at 10:40 a.m.

No action was taken by the committee.
Upon motion by Carlos A. Mayeux, Jr., seconded by Michael Lacombe, the Finance Committee recommended to accept the Needs Assessment/Screening Committee Report of April 19, 2012. MOTION CARRIED.

Board Member Shelia Blackman-Dupas said she disagreed with the content of the committee report. Mrs. Dupas stated that she did not intend to add bleachers only.

Board Member Lizzie Ned questioned the reason why all Board members were not informed of the Board Member Screening Committee meeting. She felt that since the discussion centered around Bunkie Elementary School, she would have wanted to be aware of the meeting as she represents this school. Mrs. Ned also questioned the presence of five (5) Board members. She asked whether a notice was published in the newspaper.

Superintendent Dwayne Lemoine stated that although the meeting was scheduled for the afternoon, Mr. Foster changed the time that day from the afternoon to the morning. He also said that committee members present at the April 17th Finance Committee meeting and the Building and Lands Committee meeting were made aware of the Board Member Screening Committee meeting on April 24, 2012. Superintendent Lemoine further stated that he inquired with the District Attorney regarding a quorum of members at such meetings, and the District Attorney advised him that there was no problem with five or more members’ presence for discussion since this serves as an Ad Hoc Committee, not policy-making. Superintendent Lemoine further stated that all Board members are involved in the Seven-Year Plan and that Block spending is over as a result of the Judge’s instructions. He reminded the committee that each Board member represents every child and every school in this district.

Board Member Freeman Ford stated that he felt that proper notice was not given, and that the Board was in violation of the open meetings law.

The Superintendent advised that District Attorney Charles Riddle could be invited to attend a meeting to explain his opinion on this.

Mrs. Dupas asked that Judge Dee Drell be contacted to explain the needs assessment format regarding the whole Board participation.

Board Member Cindy Hill questioned whether minutes were reviewed with the recording. Mrs. Dupas stated that she received a copy of the tape. Mr. Lacombe asked whether this committee meeting notice was published. Mr. Lemoine stated “no,” but the paper is notified in advance.

Mr. Ford alluded to a recent meeting of a group of concerned citizens in Bunkie regarding projects at Bunkie Elementary School and that suggestions were made at the meeting to rearrange funding district-wide to accommodate the funding for projects at Bunkie Elementary School.
Mrs. Dupas said that the proposal was cut off and that no opportunity was
given to this group and that Mrs. Ned was not even invited to the meeting.

Mr. Ford reminded the Board that no action was taken.

The Superintendent responded by saying that no other schools were provided
opportunities to discuss recommended needs and that on at least two occasions the Board was made
aware of the Bunkie Elementary School situation. Mrs. Dupas said that no thought was put into the
information sent to them. Mrs. Ned said that the architect did what the committee asked him to do
(with pennies), and that the Brewers Plan was completely ignored. She said the committee never
received answers regarding proposals to improve the BELA Gymnasium. Mrs. Ned also mentioned
that the Bunkie Elementary School gymnasium is not comparable to Plaucheville Elementary School
and Lafargue Elementary School gymnasiums, for example.

Board Member Mike Lacombe said that at least $1 million was spent to
upgrade the Bunkie Elementary facility and a wonderful job was done, however, it appears that this
is not enough.

A heated discussion followed between Mrs. Dupas and Mr. Lacombe. Mrs
Dupas stated that Bunkie Elementary School was neglected for so long, which was answered by Mr.
Lacombe that $1 million was spent recently at this location. Mrs. Dupas expressed her opinion that
Mr. Lacombe should not have been included in the April 19th committee meeting, since he appears
to persuade members.

Mrs. Ned disagreed with comments made and reminded the committee that
the Federal Judge had advised the Board to spend money in Bunkie schools that had been starved
in the past.

Mr. James Gauthier commented regarding Board members attending
committee meetings. He stated that when he became a Board member he attended all committee
meetings in order to be more informed. Mrs. Dupas disagreed and repeated that we need to have
Judge Drell explain this to Board members. Mr. Ford again stated his concern over notice given.

Board Member Cindy Hill questioned whether Architect Jim Guillory was
given a specific amount of $52,000 to spend on the Bunkie Elementary School project.

2. The Superintendent asked the committee to allow the April 24th Needs
Assessment/Board Screening Committee Report, which occurred earlier that afternoon, as follows:

Board Member Screening Committee Report

The Avoyelles Parish School Board Member Screening Committee met on
Tuesday, April 24, 2012, at 3:30 p.m. at the School Board Office with the following members
present:
Dwayne Lemoine, Superintendent; Mary Bonnette, Finance Director; Steve Marcotte, Supervisor of Maintenance; James Gauthier, Board Member; Shelia Dupas, Board Member; Cindy Hill, Board Member; Michael Lacombe, Board Member; Carlos A. Mayeux, Jr., Board Member; and Tanya Smith, Secretary to the Assistant Superintendent.

Mr. Steve Marcotte explained that the cost of additional bleachers would involve adding on to the building at a total cost of $306,860, which increased the cost of the total project to Bunkie Elementary School by $72,620. The Superintendent stated that the original $52,000 appropriated to extra costs would not be enough and funding would needed to be located elsewhere.

Board Member Shelia Dupas stated that she had concerns of the minutes of previous meetings. She said that bleachers were in addition to what was already there. Her understanding was that Mrs. Lizzie Ned should have been contacted. Mrs. Shelia Dupas also said that the committee agreed to leave $52,000 in an open budget since the Board could either accept or reject it and that it was strange that the amount that this comes to is $52,000. Mr. Steve Marcotte corrected Mrs. Dupas by pointing out that the total cost was $20,000 for retractable bleachers and $52,620 for the building addition to accommodate the bleachers, for a total of $72,620. Mrs. Shelia Dupas stated that Mr. Steve Marcotte should not be at these committee meetings and that he acts like a school board member. Mrs. Dupas felt that we are in an ethics violation due to a quorum being present.

The Superintendent said he reviewed the minutes and listened to the tape and felt that the minutes were correct. The Superintendent stated that Mr. Marcotte's presence is necessary at the meetings for the purpose of reviewing the procedures and clarifying the purpose of the committee. He said that Mrs. Dupas suggested the architect was coached. He also contacted the District Attorney who had no problems with the amount of board members present.

Mrs. Dupas also asked why Mrs. Ned was not contacted to review the plans. Mr. Lemoine responded that he indeed called her to do so. Mrs. Ned made it clear to the Superintendent that if the plans were not as comparable to Lafargue Elementary School or Plaucheville Elementary School, then she was not interested.

Mrs. Cindy Hill said she is not in agreement with the current addition to $306,000. Mrs. Dupas also stated that her biggest issue was $52,000.

Upon motion by Cindy Hill, seconded by James Gauthier, the Finance Committee recommended to reject the Seven-Year Capital Improvement Plan as proposed. MOTION CARRIED.

Mrs. Hill stated that her reason is due to excess expenditures.

The meeting adjourned at 3:50 p.m.
Board Member Carlos A. Mayeux, Jr. noted that he was not present at the Needs Assessment Committee meeting of April 24, 2012.

Mrs. Dupas commented that she said that we need to leave the budget open.

Mrs. Hill stated that there was only four committee members that were present and that no quorum existed.

Mrs. Ned asked to correct the last paragraph regarding the call from the Superintendent to review the proposed plan for improvements at Bunkie Elementary School. Mrs. Ned stated that she wanted to pick up a plan and the Superintendent would not allow her to do so since there was only one set and was available at the School Board Office. Mrs. Ned stated that she was hoping to take the plan to her constituents for review.

Superintendent Lemoine reminded the Board that the minutes simply stated the meeting, rather than the telephone conversation.

Mrs. Dupas added to the minutes in paragraph 4, as follows: “Mrs. Dupas stated, “No, he wasn’t coached. He did exactly what was told to him.”

Upon motion by Carlos A. Mayeux, Jr., seconded by Michael Lacombe, the Finance Committee agreed to accept the committee report with corrections and in addition noted that the committee voted against the proposed Seven-Year plan. MOTION CARRIED.

3. Upon motion by Shelia Blackman-Dupas, seconded by Van Kojis, the Finance Committee recommended to approve requests for overnight travel as presented by Superintendent Lemoine. MOTION CARRIED.

Mrs. Cindy Hill noted that the funding amount to Ms. Alaina Sampson’s request to attend a JAG Conference was omitted and the Superintendent indicated that he would supply this information to the Finance Committee at a later date.

4. Mr. Steve Marcotte, Maintenance Supervisor, addressed the Finance Committee regarding a change order for the new gymnasium/multipurpose building at LaSAS needed an increased amount of $14,128.00. He explained that the change order involves additional items including shelving which are within the QSCB funded project budget.

Upon motion by Shelia Blackman-Dupas, seconded by Van Kojis, the Finance Committee recommended to approve a change order for the new gymnasium/multipurpose building at LaSAS in the increased amount of $14,128.00. MOTION CARRIED.

5. In other discussion, Mr. Van Kojis questioned whether we need to present the fact that the Seven-Year Program was rejected. Mr. Lemoine said that this is in order and after the May 1st meeting Judge Dee Drell is to be notified.
Mr. Ford stated that if something is rejected twice then it starts back over in the process. Mr. Lemoine responded that there is a time limit to submit information to the United State Justice Department. Mr. Ford expressed concern about informing the Judge about the Board’s actions. Mr. Ford suggested that the Superintendent provide notification to Judge Drell regarding the Board’s actions through District Attorney Charles Riddle.

The Finance Committee respectfully recommends the adoption of this report.

Carlos A Mayeux, Jr., Chairman
Finance Committee

On motion by Carlos A. Mayeux, Jr., seconded by Van Kojis, subject to review of the tapes of this meeting by Assistant Superintendent Craig Foster and his corrections, the Board adopted the Finance Committee Report as follows:

Ayes: James Gauthier, Michael Lacombe, Carlos A. Mayeux, Jr., Van Kojis, Darrell Wiley, and Cindy Hill.

Nays: Freeman Ford, Shelia Blackman-Dupas, and Lizzie Ned.

At this point in the meeting, Mrs. Shelia Blackman-Dupas left to attend the Avoyelles High Scholar's Banquet.

12. Mr. Van Kojis, Chairman of the Building and Lands Committee, presented the following report:

Mayeux, Jr., Darrell Wiley, and Michael Lacombe, Board Members; Steve Marcotte, Maintenance Supervisor; and James Lee, Assistant District Attorney.

1. A discussion to acquire by lease or purchase the Bordeloville School site and buildings ensued as a follow-up to meetings in Bordeloville on March 26, 2012 and April 4, 2012 by concerned citizens of the Bordeloville community. Board Member Carlos Mayeux, District 3, gave an overview of the meetings and pertaining issues. The Steering Committee from Bordeloville represented by James Armand, Michael Bordelon, and Adam Cline presented questions to the committee and Assistant District Attorney James Lee relative to their interest in being able to utilize the school site for educational and recreational activities.
