09/08/2015	<u>154</u>	MINUTES for proceedings held before Judge Robert G James: TELEPHONE STATUS CONFERENCE held on 9/8/2015. The Court and counsel discussed the status reports recently filed with regard to the laboratory schools. Mr. Wardenski reported that AEP has taken additional voluntary steps to improve diversity of the student body. Mr. DeCuir reported that GSU has given notice that it will no longer operate the Laboratory School at the end of this school year. The Louisiana Board of Elementary and Secondary Education has approved a Type 2 charter application for the Grambling High Foundation, Inc., which would operate a K–12 school at the current location. GSU does intend to file a motion with the Court to transfer the laboratory school operation to the Grambling High Foundation. If these actions take place, Mr. Wardenski noted that AEP and GSU will be on different paths, and he anticipates a need to re–negotiate the 1984 Consent Decree. To that end, the Court set a deadline of October 23, 2015, for GSU to file its motion for authorization of transfer of operation of the laboratory school to the Grambling

		High Foundation. Once the motion is filed, the Court will set a telephone status conference to discuss the motion and procedures with counsel. Additionally, the Court set a deadline of December 7, 2015, for the parties to file a modified joint consent decree. (crt,DickersonSld, D) Modified on 10/1/2015 (DickersonSld, D).
