02/28/2011	<u>67</u>	MINUTE ENTRY: In prior status conferences with the Court, the Department of Justice ("DOJ") and the Morehouse Parish School Board ("School Board") agreed to focus on the issues of school closures, student assignments, and the finances of the School Board. However, in the long term, the Court asked that counsel consider the steps necessary for this parish to achieve unitary status. Both DOJ and the School board expressed a willingness to work towards that goal once the student assignment issues were resolved. Thus, the Court finds it appropriate to ORDER, on its own motion, that the DOJ begin a unitary status review in this case. The DOJ must file a status report with the Court no later than May 31, 2011, indicating its initial findings, any proposed actions, whether the parties have reached agreement

		on any or all proposed actions, and whether the School Board opposes any of DOJ's findings or recommended actions. If the School Board wishes to file a memorandum in response to the DOJ's status report, it should do so no later than fourteen (14) days from the date the DOJ status report is filed. 02/10/2012	<u>77</u>	MINUTE ENTRY: Since 2009, the DOJ, its expert, and the School board have been working together to address school closures, student assignments, and the finances of the District. For the past year, the parties have continued to correspond in an attempt to resolve all unitary status issues. However, as summarized, it appears that they agree only that the District is unitary in the area of extracurricular activities. Given the hours expended in discussions, the number of documents produced by the School board, the completion of an on-site visit,the report of the expert, and the number of interviews and depositions the DOJ has conducted, the Court believes that this case should be in a posture to reach resolution. Therefore, no later than March 30, 2012, the parties shall file (1) a joint proposed consent order on any unitary status issues which can be resolved and/or (2) a joint status report, identifying any remaining unitary status issues and requesting a hearing on those issues which cannot be resolved amicably.(Compliance Deadline set for 3/30/2012).
