08/11/1965	<u>496</u>	Order from pre-trial conference held May 26, 1965 in Court's Chambers. The assignment and transfer plan or policy in the City of Jackson, Tennessee school system deprives plaintiffs of their constitutional rights and must be amended. The proposed junior high school zones proposed by defendants do not amount to unconstitutional gerrymandering and are approved by the Court. Desegregation in the City of Jackson School System will be accelerated. The application of plaintiffs for an order requiring integration of faculty is at this time denied.
