Sanders v. Ellington, C.A. No. 5077  
(N.D. Tenn.)

We have arranged, through Dave Rose, to represent H.E.W. in this suit which challenges the dual system of higher education in Tennessee. The suit seeks to block expansion of a predominantly white University of Tennessee facility in Nashville on grounds that it would duplicate facilities already existing at Tennessee A & I State University for Negroes, also located in Nashville.

The case was originally set for hearing on a motion for preliminary injunction on June 12. This has been canceled and the case is now set for final hearing on July 22.
