06/29/2020		TEXT ORDER – Legislative Defendants have moved to take depositions prior to the preliminary injunction hearing and have requested an expedited resolution of that motion. (Doc. 49.) The parties have agreed this motion can be resolved in an expedited fashion pursuant to LR 37.1(b). In addition to resolving the motion, this court will set a hearing date and, while the parties have suggested a one–day hearing is sufficient, Legislative Defendants express concern that one day may not be sufficient particularly if no depositions are permitted. (<i>Id.</i> at 3.) This court agrees this issue should be addressed in an expedited fashion. The court therefore directs Plaintiffs and the remaining Defendants to respond to Legislative Defendants' motion, (Doc. 49), if at all, by Tuesday, June 30, 2020, at midnight. In lieu of a telephone conference as described by LR 37.1(b), this court will hold a hearing on Wednesday, July 1, 2020, at 12:30 p.m. in Greensboro Courtroom 1. One attorney on behalf of Plaintiffs and one attorney on behalf of Defendants, other than Legislative Defendants, shall be required to appear and speak for the represented party. While the court prefers that one attorney on behalf of Legislative Defendants appear for this hearing, the court will permit counsel for Legislative Defendants to appear by telephone in light of the short notice. All counsel not appearing in court may make arrangements with the case manager to appear by telephone. However, those appearing by telephone will be allowed only a limited opportunity to argue with respect to the issues. At the hearing, the court will address Legislative Defendants' motion for permission to take depositions, the hearing date, the amount of time allowed for the hearing, and any arrangements necessary for the hearing in light of current conditions. 07/06/2020		TEXT ORDER – While the court appreciates the status report filed today, (Doc. 75), the question to which the status report responds was not the question the court intended to ask. The court's inquiry was not directed to bifurcating the hearing. Instead, it was an effort to determine which issues were the most time sensitive. The question was posed in an effort to try to determine what an expedited process needed to consider. For example, a request for an expedited process could mean entry of an order by September 3, 2020. While the court is fully aware that that is not the case, the question remains as to which matters are urgent in terms of timing; that is, what, if anything, is occurring now. Executive Defendants made it clear that printing is presently in final stages. In terms of this court's request, this court was seeking some guidance to allow the court to better understand what the term expedited should be understood to mean and why that is the case. 07/13/2020		TEXT ORDER – It appears the parties have generally agreed to a procedure for an expedited evidentiary hearing. (<u>See</u> Doc. 90.) This court will hold a brief conference on the procedures at noon today as previously scheduled; the case manager will provide the parties with telephone conference information. In preparation for that call, the court tentatively advises the parties as follows: (1) The court will adopt the schedule and format as described for the testimony. This court does not find all of the witnesses described confront an undue hardship. Agreeing to serve as expert witnesses carries an obligation to appear as directed. Those witnesses should have understood that when agreeing to offer testimony. Nevertheless, the court accepts the procedures described in light of the agreement of the parties rather than this court's finding of undue hardship. <u>Because the court is proceeding in this fashion, the parties should be prepared to stipulate that the court can resolve disputes of fact as a part of this procedure.</u> (2) Because the majority of witnesses will be testifying remotely, the court agrees with Legislative Defendants that having a transcript of the discovery deposition before the evidentiary hearing is conducted is appropriate and the parties should proceed in that fashion. (3) This court will hold an evidentiary hearing and argument on July 20, 21, and 22 as necessary. The parties will be notified of the start time each day. (4) Any other matters will be resolved during the brief telephone conference as necessary. [Issued by JUDGE WILLIAM L. OSTEEN, JR., on 07/13/2020.] (Cable, Frances) (Entered: 07/13/2020)

07/13/2020		TEXT ORDER – This court requests that the parties prepare a status report to advise how many attorneys and other individuals (including paralegals, parties, or assistants) may be appearing for the evidentiary hearing and argument. Because of social distancing and other requirements in the courthouse, arranging a courtroom for a hearing with large numbers of individuals inside the bar requires planning. Counsel should be prepared for an arrangement that permits no more than two individuals or two attorneys at counsel table in order to maintain a reasonable social distance at those tables while in the courtroom. Other attorneys, parties, and staff will have to be seated in the gallery behind counsel table. [Issued by JUDGE WILLIAM L. OSTEEN, JR., on 07/13/2020.] (Cable, Frances) (Entered: 07/13/2020)

07/15/2020		TEXT ORDER – This court has one factual question for Dr. Plush and Dr. Murray if the parties have not considered it. The question is as follows: "Under what circumstances is an individual deemed to have been exposed to COVID-19 by an individual who either has COVID-19 or becomes positive for COVID-19 such that the risk of transmission is sufficient to require the individual to quarantine for 14 days?" To explain, this court understands that exposure is deemed to occur when an individual is in the presence of an individual who either has COVID-19 or becomes positive for COVID-19 if the individual was in the presence of the individual positive for COVID-19 for a period of at least 10 minutes and the individual either failed to maintain a social distance of six feet or more or failed to wear protective gear, including a mask, while in the presence of the positive individual. Is that correct? The court understands Dr. Plush has already been deposed and Dr. Murray will be deposed on July 17. If the question has been previously posed to Dr. Plush, then the court requests the parties pose the same or a similar question to Dr. Murray. If this question was not propounded to Dr. Plush, the parties may supplement his response by any agreed-upon means or, if Dr. Plush and Dr. Murray are in agreement with the answer to the court's question, the parties may submit a stipulated response of the doctors. 07/17/2020		TEXT ORDER – The court has reviewed the status report filed by the parties on July 17, 2020, (Doc. 97), and appreciates the update. The parties are welcome to bring more than two counsel or other individuals, but only two individuals can be seated at counsel table inside the bar. The court approves Plaintiffs' request for a paralegal in the gallery. The court approves Legislative Defendants' request for all three attorneys, but only two attorneys may be seated at counsel table at one time. Based on the prior status report, the courtroom was set up in anticipation of Mr. Peters being the only attorney inside the bar for Executive Defendants. All of the remaining counsel are likely able to attend and appear on behalf of Executive Defendants, as well as Katelyn Love, but the court will have to check on seating and spacing in the courtroom. The court will make an effort to re-arrange the courtroom today to accommodate two attorneys at counsel table for Executive Defendants, but we may have to use a partition and require one of those attorneys to use a mask while inside the bar. Further considerations include the following: (1) Examinations of witnesses and arguments shall take place inside the bar. With only two attorneys at each counsel table, if the parties divide examinations or arguments, they may have to rotate at counsel table. (2) Social distances and masks will be required in the gallery but not inside the bar. (3) Inside the bar, counsel are expected to use their best efforts to socially distance while at counsel table. If counsel need to confer, in the court's experience thus far, it is best to advise the court of the need. The court will permit reasonable interruptions for that purpose and use the background noise to mask any discussion. In the court's experience, it is best if counsel place masks or face coverings on when trying to speak privately in close proximity while in the courtroom. (4) All individuals seated in the gallery will maintain social distancing. Some space has to be maintained for members of the press and or public should they wish to attend. The court will provide additional information later today if available. (5) This court is moving the start time on Monday morning to 9:45 a.m. and directs the parties to be present by 9:15 a.m. to allow some time to see the courtroom and make arrangements at counsel tables and in the courtroom. (6) Pursuant to the CARES Act and Standing Order 16, counsel may dial in and listen to the hearing remotely. A party may also listen remotely but only in the office of an attorney for that party. The parties are hereby warned that Judicial Conference policy prohibits anyone from recording, or causing the recording of, or to broadcast or rebroadcast a federal judicial proceeding in any form unless authorized to do so. Any recording, broadcast,

		or rebroadcast by any person or entity listening to a court proceeding remotely will be subject to sanctions, including removal of any court-issued media credentials, denial of entry to future proceedings, or other sanctions including contempt as may be deemed necessary by the court. 07/24/2020		<p>TEXT ORDER – The court requests that Executive Defendants file a representative absentee by mail sample ballot for the court's review. If Executive Defendants anticipate different ballot lengths in different counties, the court requests Executive Defendants file a ballot that fairly reflects a longer ballot rather than an anticipated shorter ballot. The court recognizes that the candidates for all races may not yet be finalized. The court is most interested in the number of races in which votes will be cast. If Plaintiffs or Legislative Defendants do not believe the filing by Executive Defendants fairly reflects a sample ballot as requested by this order, they may file their own sample ballot. This court understands that any sample ballots filed may not accurately reflect the final absentee by mail sample ballot; the court is only requesting a fair representation to the best of the parties' ability at this time. 08/04/2020	<u>124</u>	MEMORANDUM OPINION AND ORDER signed by JUDGE WILLIAM L. OSTEEEN, JR on 08/04/2020, that Plaintiffs' Motion for Preliminary Injunction, (Doc. <u>2</u>), is DENIED AS MOOT and that Plaintiffs' Amended Motion for Preliminary Injunction, (Doc. <u>31</u>), is GRANTED IN PART AND DENIED IN PART. Stat. § 163-226.3(a)(4) to the extent those provisions of that statute prohibit Plaintiff Hutchins from receiving assistance in marking and completing his absentee ballot from an employee or staff member, as those terms are defined herein, of the nursing home in which he resides. This injunction shall remain in effect through the November 3, 2020 General Election or until The Davis Community allows outside visitors such that a MAT or his wife could visit and assist him in marking and completing his absentee ballot.
